Dear Jeff,

We are incredibly grateful to the members of the Seattle Building Enclosure Council for their recent gifts totaling \$175.00, and to the Council for its generous matching gift of \$175.00. The impact of this generosity goes beyond helping our children today; it builds healthy productive societies for the future.

This gift is key to transforming a child's life. Seattle Building Enclosure Council's generosity is already hard at work ensuring children have the care they need to grow and thrive. Because of the philanthropic commitment of organizations like yours, we're able to coach parents, develop healthy minds, and give vulnerable kids a second chance at success.

On behalf of all of our children and their families, thank you. Please extend our thanks to all your members. Their commitment allows us to make a positive and lasting impact on young lives. We are so deeply grateful for Seattle Building Enclosure Council's forward-thinking support of our mission to end the cycle of child abuse and neglect in our community.

With warm regards,

Danielle Thompson
Director of Communications and Events
